Sir,

With reference to your docket No.G.2377 dated 15th instant, in re the burial of bodies in a Cemetery close to the Military Dairy Farm in Bangalore, I have the honor to state that the Assistant Commissioner, Bangalore Division, to whom the matter was referred ~~to~~ for report states as follows :-

1. The burial ground in question bearing Revision Survey No.55 is 16 guntas in extent belongs to Hadgodi village. It adjoins the Military Diary Farm and is on a higher level and too close to the Hadgodi Village, but outside the Municipal limits of both the City and Civil and Military Station of Bangalore. The objection raised by the Assistant Commanding Royal Engineer seems to be reason--able and the burial ground may be closed as early as possible. The Assistant Commissioner suggests that Revision Survey No.82 may be thrown open to the villagers of Hadgodi for burying their dead. This Revision Survey No.82 measuring 1 acre and 12 guntas is a kharab land and is described in the Khetwar of 1872-1873 as Cantonment Burial Ground. But it is outside the Civil and Military Station limits and no dead bodies are stated to have been buried here by the people of the Cantonment up till now. As however it is ascertained that the land is in the possession of the " Civil & Military Station " Authorities, their consent has to be obtained before permitting burials in the land. Except this Survey Number there is no other unoccupied land available for the purpose, unless any occupied land is acquired under the Land Acquisition Regulation. It is reported that lands in this village under occupancy are very valuable costing Rs.100/- to 150/- per

acre

acre. The land in question is well suited for a burial ground being ½ a mile distant from the Diary Farm; further as during the Revision Survey Settlement, this Survey Number has been classed as Kharab and as the villagers have no objection to this land being used for burying the deal bodies, it may be set apart for the purpose.

2. The sketch received with your docket under reference is herewith returned.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
